SUB & ELY HALL PROGRAMS TO BE RELOCATED

The Student Union and Ely Hall are scheduled to undergo a multi-million dollar renovation. Before any work can begin in either building all programs currently in those buildings must be relocated elsewhere on campus for about two years. Programs in Ely Hall (SBG, Student Special Services, Counseling & Placement Center, Theta Nu Tau and Alpha Sigma Pi fraternities and the National Center for Barrier Free Design) are scheduled to be relocated by August 15, and programs in the SUB (Post Office, Bank, Bookstore, Rathskellar, Campus Ministries and Student Union Office) are to be relocated by October 1.

--COUNSELING & PLACEMENT CENTER will relocate to Kendall Hall, which will be remodeled to accommodate them. However, there are three programs in Kendall Hall and each will be relocated around July 2 -- Buff and Blue and Tower Clock will move to House 2 (2nd & 3rd floor) and dsh Abstracts will move to House 3.

--STUDENT SPECIAL SERVICES will move to the first floor apartment and lobby of Krug Hall.

--STUDENT BODY GOVERNMENT will relocate to the 7th & 8th floor lounge and apartment in Clerc Hall.

--NATIONAL CENTER FOR BARRIER FREE DESIGN will move to the Gate House.

--THETA NU TAU & ALPHA SIGMA PI FRATERNITIES will occupy the basement of House 2 & 3 respectively.

--STUDENT UNION OFFICE will relocate to the small room in the upper level of the dining hall.

--POST OFFICE & BANK will move to the basement of College Hall.

--BOOKSTORE will occupy the basement of Peet Hall.

RELOCATIONS (CONT.)

--CAMPUS MINISTRIES will move to the first floor of House 2.

--RATHSKELLAR will relocate to the recreation room of Dorm V.

Additional articles will appear from time to time in ON THE GREEN to keep the campus informed of the SUB/ELY relocation plan. History has shown that students, faculty and staff have weathered 10 years of on-going construction, detours and parking problems quite well and we should be able to adjust to the relocation with a minimum amount of confusion and inconvenience.

CAMPUS PLANS AND MODEL DISPLAY

In order to bring our recent visiting alumni members up-to-date on campus planning a series of new construction and renovation plans as well as the Landscape Master Plan and campus model were displayed in the HMB Lounge and the hallway just outside. The Planning Office urges you to take a little time out of your day to see this exhibit.

Plans for the Old Gym, Learning Center, Dorm V and SUB/ELY renovation are in the hallway. The Landscape Plan and model are displayed in the Lounge. The model presents a three dimensional view of Kendall Green in the future and the Landscape Plan provides a colorful and detailed representation of the trees, shrubs and pathways that are planned. Together, the plan and model should give you a good idea of what's in store for the future.

If you have any questions or comments, contact Henie Lustgarten in the Planning Office at ext. 533.

Please come by and do a bit of dreaming!

SLOW DOWN GALLAUDEY DRIVERS!!

You may have noticed that we have many children on campus this summer. Please remember to watch out for them!

NEWS FOR SUMMER TRAVELERS!

This summer deaf visitors to Yosemite National Park will find a sign language interpreter working at the Valley Visitor Center. Special summer programs will be led in total communication when deaf visitors come along. Other programs will have a sign language interpreter also. Check in the Yosemite Guide, the newspaper given out at the entrance stations, to see which programs include sign language.

The park also has a TTY number for those interested in calling ahead. The number is 209-372-4726.

A JULY FOURTH CELEBRATION AT THE SMITHSONIAN

The Fourth of July has traditionally been a community event, and Washington, D.C., will celebrate its Fourth in the old-fashioned way. Musicians, mimes, craftspeople and orators from the metropolitan area will be featured, as the Smithsonian's Division of Performing Arts and the Museum of History and Technology join forces for the third annual July 4th Celebration.

The activities of the Celebration this year will highlight some of the customs brought by American immigrants to their new country and incorporated into the festivities surrounding America's most important national holiday. American and ethnic traditions combine with lively community spirit to recreate the fun of a traditional July 4th Celebration.

From Saturday, June 30, through Wednesday, July 4, you can enjoy daily programs of music, crafts, speeches, children's activities, participatory games, film and special Museum tours. The five-day Celebration begins each day at noon and continues until 6:00 p.m. Every evening different social dances from all over the world will round off the day's activities.

A sign language interpreter will be available for specific programs. For information call 381-4233 (TTY) or 381-6264 (voice).

ENERGY INFO

Gallaudet College has agreed to follow the Federal guidelines for energy conservation. The thermostats in our buildings should be set at 65 degrees in the winter and 80 degrees in the summer, wherever possible.

ATTENTION RUNNING ENTHUSIASTS

The MSSD Summer Recreation Program and Gino's Restaurants will sponsor a 5,000 meter (3 mile) race on July 2nd at Greenbelt Lake in Greenbelt, Maryland. The "Firecracker 5,000" will feature runners from the Gallaudet community.

At 6:30 p.m., the "Novice Division Race" will begin, with the "Pro Division Race" set to start at 7:15 p.m. Both are co-ed races.

Registration to join the race will be held at the race site and participants will be asked to complete an entry form and pay a \$2.00 entry fee.

SUMMER DAY CAMP NEEDS DONATIONS

All campus parents taking advantage of the Day Camp know how important it is to the lives of our children. They are now in need! Anyone able to donate things like old hats, coloring books, puzzles, sports equipment, empty bottles, egg cartons, cardboard tubes, grocery bags, coat hangers, fabric scraps, yarns, box lids, ½ gallon milk cartons, crayons, shoe boxes, coffee cans, old irons, old socks, string, usable games, usable toys, and art supplies should bring them to the basement of Residence Hall B at MSSD.

For more information on this project contact Carolyn Pimentel on ext. 619.

FORMER KENDALL TEACHER DIES

Ms. Frances Phillip, a former KDES principal, informs us that on May 7, Miss Margaret Daniels died in the Assa Park Manor Nursing Home in New Jersey. Miss Daniels retired from KDES in 1960 after having taught in the primary department for 40-45 years.

ON THE GREEN is published each week by the Office of Alumni and Public Relations for the faculty and staff of Gallaudet College.
